Beverly Llewelyn, Rocky Mountain Mortgage Group, LLC

Beverly Llewelyn is a Partner and Mortgage Consultant with Rocky Mountain Mortgage Group. She is currently serving as a committee member for the Utah County Chapter. She is also the past President for the Utah County Chapter. She has been actively involved with the UMLA for the past 16 years.

Beverly started her career owning and operating her own franchise business originating commercial loans and some residential loans for over 4 years. From there she worked for a company specializing in financial and estate planning where she managed over 65 employees in Utah from Salt Lake City South. That business led to selling insurance for New York Life. She always felt that her heart was in the mortgage business and when her nephew tried to purchase an investment property she owned and took 9 months for him to get his loan, she knew that it was time to step back into the industry and focus on mortgages. She

has never regretted that decision and has loved working in the mortgage industry. Beverly has been in the mortgage and finance industry for over 25 years.

Beverly is excited to see the changes that have come forth through the UMLA Organization. She has also been excited to see the tightening up of companies and loan officers that have harmed our industry. With the local changes in the industry and the industry tightening down a little, she sees that the UMLA will be even more beneficial and important to our industry in the future.
